Dear Ms. Crawford:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 12-551 and proposed by the Indiana Family and Social Services Administration ("FSSA"). The proposed rule amends 470 IAC 10.3-1-1 to include a definition of "mailed" and amend 470 IAC 10.3-10-1 to exempt recently resettled refugees from the IMPACT program.

The economic impact statement prepared by the FSSA indicates that the intent of the proposed rule is to realize cost efficiencies by allowing e-mail notifications and to provide recent refugees eligible for TANF an adjustment period before being subject to the IMPACT program. According to the FSSA no small businesses are subject to, or impacted by, the proposed rule.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or [eshields@iedc.in.gov](mailto:eshields@iedc.in.gov).

Regards,
